

Historic Pittsford Architectural Scavenger Hunt

Take a walk in the village and see if you can identify the addresses of the structures shown in the photos. Just a quick hint...the answers will be found on or around buildings in the village. Record the addresses of the structures below each photo and bring the completed scavenger hunt to the Sunday, October 6, 2019 presentation by Pittsford Town Historian Audrey Johnson at 2:00pm at the Pittsford Community Library's Fisher Meeting Room.
